SECTION II

1. What is the extent of the territory (state) do you propose to serve? _____

2. I will provide an adequate safety program for my personnel. _____ (Initial)
3. I will agree to take advantage of educational and training programs that are made available to myself and my personnel. _____ (Initial)
4. I agree that all of my employees who will transport, fill LP-gas cylinders and/or motor fuel containers that contain LP-gas will have a thorough knowledge of how to inspect such cylinders to ensure that they can be serviced properly. _____ (Initial)
5. I agree that all of my employees who will have a thorough knowledge of all rules and regulations administered by the Alabama LP-Gas Board. _____ (Initial)
6. I understand that state regulations require that all DOT cylinders of 250 pound water capacity or less, except motor fuel containers, are to be charged by weight only. _____ (Initial)

SECTION III

1. Return of Completed Application:

This application and attachments should be recorded as received in the Board office in Montgomery prior to the next regular scheduled Board meeting for consideration at that meeting.

2. Articles of Incorporation:

If incorporated submit one copy of your company's or individual's articles of incorporation.

3. Payment of Initial Permit Fee. Expiration Date December 31:

Submit a company check or money order with your application in the amount of \$200.00 payable to the Alabama LP-Gas Board. (The application fee is \$100.00 and surety in cash is \$100.00.)

The application fee and surety in cash will be held on deposit at the State Treasury until action has been completed by the Board on the application. Once the application has been initially acted by the Board and approved, the application fee shall not be returned.

Failure to meet of the requirements on the application within sixty (60) days after notification of the Board's approval and will result in cancellation of the application and cause the application fee to be forfeited.

4. Motor Vehicle Reports.

Submit a copy of each driver's motor vehicle report (MVR) with application.

5. Appearing Before Board:

Some applicant(s) may be required to appear before the Board in person in support of their application. If an applicant is required to appear, the Board Administrator will notify the applicant(s) within seven (7) days of the Board's next regular meeting.

6. Give brief history of your company's experience with LP-gas.

SECTION IV

Following approval of application the applicant(s) must within sixty (60) days after notification comply with the following:

1. Submit insurance certificate and the completed Board's familiarization review.

SECTION V

The undersigned petitioner hereby requests that this application be approved by the Alabama LP-Gas Board and certifies that he or she has read the above application and is familiar with its contents and that the information set forth by him in the application and attachments is true and correct.
